Question 13(c): *Provide citations to all cases in which you were a panel member, but did not write an opinion.*

Please note that I understand this question to exclude *per curiam* decisions, which are deemed to be written by all members of the panel and which I have identified in response to question 13(b). Also, I have listed all of the nonprecedential summary orders issued by panels of which I was a member, regardless of whether I was the author, because the Second Circuit does not identify the authors of summary orders.
